

Ilsa Evolve GN

Practical chilled & frozen storage

The flagship range in the Ilsa product portfolio the Evolve Gastronorm storage chillers and freezers have been built with a no-compromise approach from start to finish. They combine advanced refrigeration technology, energy saving properties and optimal ergonomics to create chillers & freezers that satisfy the requirements of any chef.

The Evolve cases integrate perfectly into the kitchen environment and has a focus on ease of use. A full length door handle, simple touch display and rounded internal corners make the Evolve the perfect kitchen companion.

The INTELLI defrost system improves and increases the cooling efficiency of the unit, in-turn lowering the power consumption even further.
